Good Morning Sir:

If you do not feel like to answer  
me and also the Council  
Members like [redacted] and [redacted]

You took over the  
Government and I prove there is  
something wrong in the  
books. I sent this information  
to the FBI in Washington.

Before your Election of '73 in May  
I sent you a special delivery letter.  
I explained everything that was on  
previous & you talked to me over the  
telephone and said to me "you  
would leave all this to the open  
public" [redacted] said "no" let the  
FBI in Washington investigate.

b6  
b7C

In regard to my [redacted] Government  
and [redacted] accident, The German

ambassador will be contacting  
you. In more case I say -  
we need a national and international  
recognition because the sidewalk  
is part of the street. I see  
this in [redacted] Law Book.

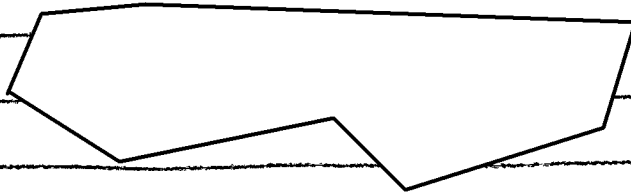

b6  
b7C

If you don't want trouble  
give me my 50,000 for my [redacted]  
trouble and [redacted] accident and  
50,000 for the property where I live  
and I will get out the country.

I will not come into the city. All  
The new German Defence  
Minister, Professor Strauss  
answered me last week & told me  
to give you 2 weeks time.

Thank you for my listening -  
If you say "no" Luecke has lots  
of Room.
